

Content

1 Introduction to the CHAPTER Project	1
A Project Documentation for Museum Practitioners, Educators and App Developers	5
The Team	7
Partners and Participants	8
The Structure of this Project Documentation	8
2 Exploratory Research and Knowledge Base for the App	9
2.1 Exploratory Research on Facets of Populist Truth-Making	9
2.2 Exploratory Research in Museums	13
Selection of Museums as Field Sites for the App	15
Epistemic and Emotional Affordances of Exhibits	17
2.3 Exploratory Research on Digital Apps	19
Research on Existing Museum Apps	19
Educational Apps to Address Political Topics	22
3 Designing the Initial App Version	25
3.1 App Design	25
Technical Structures and Choices	25
Content-Management-System and Types of Interaction	27
Social Media Inspired Design	29
Addressing Emotions	30
From Gamification to Reflection	32
3.2 Crafting Content	34
Combining Different Types of Content	35
Avoiding Binaries	40
Copyright Questions	41

4 Co-Designing the Final App Version	44
4.1 Participatory Design of a Museum App	44
The Co-Design Process	45
Challenges of Participatory Projects in the Museum Context	47
4.2 Examples and Outcomes of the Co-Design Process	51
Participants' Critical Feedback and Design Adjustments by Researchers	51
Concrete Adjustments: The Case of Complexity vs. Simplicity	53
App Content Created by Participants	56
5 Outlook	58
